CHARITY FUND 1961 STATIONERS' AND NEWSPAPER MAKERS' COMPANY

TRUSTEES' ANNUAL REPORT AND FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2019

The trustees present their statutory report together with the financial statements of Charity Fund 1961 (Stationers' and Newspaper Makers' Company) for the year ended 31 December 2019.

The financial statements have been prepared in accordance with the accounting policies set out on page 9 of the attached financial statements and comply with the Charity's governing instrument, applicable laws and the requirements of the Statement of Recommended Practice on "Accounting and Reporting by Charities" (SORP 2015).

Structure, governance and management

The charity is governed by The Stationers' and Newspaper Makers' Company Act 1961, and is registered with the Charity Commission under charity number 233251. It is also known by the name The Stationers' Community Fund.

Key Management Personnel

The charity is administered by its connected charity, The Stationers' Foundation, and no charge is made for these services. There were no employees during the year. No Trustees received remuneration or expenses from the charity.

Trustees

The trustees are the members, for the time being, of the Court of The Worshipful Company of Stationers and Newspaper Makers.

The trustees are set out on page 1.

Objectives and activities

The Charity may apply its income to or for any charitable institution or purpose.

The Charity meets its objectives by applying its income to:

- Trade Benevolent Societies and other institutions associated with The Worshipful Company of Stationers and Newspaper Makers; and
- Civic and other appeals, including the Lord Mayor's Appeal.

Grant-making policy

The trustees determine annually, on receipt of the financial statements, the level of individual grants in accordance with the objectives of Charity Fund 1961.

Public benefit

The trustees have considered the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in determining its grant-making policy. The trustees consider that all of the aims and objectives detailed in this report are there in order to benefit the public and that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Achievements and performance

During the year a total of £21,382 (2018 - £43,583) was distributed in varying amounts to 8 recipients (2018 - 8).

CHARITY FUND 1961 STATIONERS' AND NEWSPAPER MAKERS' COMPANY

TRUSTEES' ANNUAL REPORT AND FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2019

Achievements and performance (continued)

During the year the Charity's investments increased due to the market recovering after the fears of a US recession and a boost to the UK following the election of a Government with a strong majority. Total investment income received in the period amounts to £12,443 (2018 - £11,157).

The trustees are satisfied with the performance of the investments and remain satisfied that their investment objectives are being met.

Financial review

A summary of the results for the year can be found on page 7. Net income for the year was £74,573 (2018 –deficit £19,434). This surplus was caused by the increase in market value of the investments due to market conditions. Subsequently global markets have experienced extreme turbulence due to the COVID-19 virus. The value of the portfolio as at 30 April 2020 was £450,390, a reduction of 10%.

Investment policy

The management of the Charity's investment funds is delegated to professional investment advisers, Rathbones.

The trustees aim to achieve a balance between income and capital growth by regularly reviewing the investments held.

The trustees set the investment policy and the investment advisers make any investment selection within that policy.

Reserves policy

The balance sheet shows total funds of £581,612 (2018 - £507,039) of which £506,268 (2018 - £452,091) are permanent endowment funds, leaving £75,344 (2018 - £54,948) in unrestricted funds.

The trustees' policy is to retain unrestricted reserves (free reserves) equivalent to the following year's budgeted governance costs. The current level of the unrestricted reserves is in excess of the desired level and action will be taken in the current year to reduce the reserves to the desired level.

Risk management

The trustees have examined the major strategic, business and operational risks which the Charity faces. The most significant risk is associated with the Charity's investment portfolio. Whilst, the Charity has taken a conservative approach on its investments to mitigate risk as far as possible an element of risk still remains not least with regard to the Coronavirus pandemic.

The trustees have reviewed the implications of the Coronavirus pandemic and their current view is as follows:

- the trustees and the administrator can continue to fulfil their roles remotely;
- there is no impact on the going concern of the charity due to the discretionary nature of the expenditure and minimal committed costs compared to unrestricted funds;
- the much-increased volatility of world stock markets has affected the valuation of the charity's portfolio and is likely to continue to do so until the pandemic ends and thereafter until more stable conditions return.

Trustees are content that other systems are in place to mitigate general business and operational risk.

The trustees do not believe that there are any other areas of significant risk.

Trustees' responsibilities

The trustees are responsible for preparing the trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of The Stationers' and Newspaper Makers' Act 1961. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

YEAR ENDED 31 DECEMBER 2019

I report on the financial statements of Charity Fund 1961 (Stationers' and Newspaper Makers' Company) for the year ended 31 December 2019, which are set out on pages 7 to 13.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statements

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare financial statements which accord with the accounting records and to comply with the accounting requirements of the 2011 Act

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

PRINCIPAL ACCOUNTING POLICIES

YEAR ENDED 31 DECEMBER 2019

Basis of accounting

The financial statements have been prepared under the historical cost convention with items initially recognised at cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ('Charities FRS 102 SORP 2015'), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts are presented in sterling and are rounded to the nearest pound.

Critical accounting estimates and areas of judgement

Preparation of the financial statements may require the trustees to make significant judgements and estimates. However, there were no material matters relating to the current or prior years where such judgements or estimates were required.

Going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The trustees have made this assessment in respect to a period of one year from the date of approval of these financial statements.

This is because as a grant making charity with no long term commitments, future expenditure can be adjusted with changes in income.

Income

Income is recognised in the period in which the charity has entitlement to the income, the amount of income can be measured reliably and it is probable that the income will be received.

Donations are recognised when the charity has confirmation of both the amount and settlement date.

Legacies are included in the statement of financial activities when the charity is entitled to the legacy, the executors have established that there are sufficient surplus assets in the estate to pay the legacy, and any conditions attached to the legacy are within the control of the charity.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

CHARITY FUND 1961 STATIONERS' AND NEWSPAPER MAKERS' COMPANY

PRINCIPAL ACCOUNTING POLICIES

YEAR ENDED 31 DECEMBER 2019

Expenditure (continued)

All expenditure is accounted for on an accruals basis. Expenditure comprises direct costs and support costs. All expenses, including support costs, are allocated or apportioned to the applicable expenditure headings. The classification between activities is as follows:

- ◆ Expenditure on raising funds includes all expenditure associated with raising funds for the charity. This includes investment management fees.
- ◆ Expenditure on charitable activities includes all costs associated with furthering the charitable purposes of the charity through the provision of its charitable activities.

Grants payable are included in the statement of financial activities when approved and when the intended recipient has either received the funds or been informed of the decision to make the grant and has satisfied all performance conditions. Grants approved but not paid at the end of the financial year are accrued. Grants where the beneficiary has not been informed or has to fulfil performance conditions before the grant is released are not accrued for but are disclosed as financial commitments the note 3 to the financial statements. Support costs and governance costs are allocated to expenditure headings in proportion to direct expenditure.

Investments

Investments are disclosed at their market value at the balance sheet date. Realised and unrealised gains or losses are included in the statement of financial activities.

Debtors

Debtors are recognised at the settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits. Cash placed on deposit for more than one year is disclosed as a fixed asset investment.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt.

Fund accounting

Permanent endowment funds comprise monies which must be held indefinitely as capital. Income therefrom is credited to unrestricted funds and applied for general purposes.

Unrestricted funds represent those monies which are freely available for application towards achieving any charitable purpose that falls within the Charity's objects.
