FOR IMMEDIATE RELEASE

01.07.2020

BOSS Launches COVID-Secure Product Portal

BOSS, the UK Trade Association for the business supplies industry, have launched a COVID Secure Product Portal with their partner BPIF to connect those looking for COVID-Secure products with their members in both industries who are providing these products. The search is free to use for those in both the business supplies and printing industries.

Products listed include:

- Face Masks
- Face Visors
- Floor Stickers
- Medical Goggles
- Medical Grade Face Masks
- Screens & Guards
- Gloves
- Hand Sanitizer
- Antibacterial Substrates
- Hazard and Line Marking Tape
- Infrared Thermometers
- Thermal Imaging Cameras
- Thermometers
- Air Purifiers
- Aprons
- Banners and Signage
- Desktop Accessories
- Hands Free Multi-Function Tools
- Hands Free Sanitising Stations

If you would like to search for suppliers who are producing COVID-Secure products click [here](#)

If you would like the COVID-Secure products you are producing added please contact amy@bossfederation.co.uk

British Office Supplies and Services Federation (BOSS)

BOSS is the voice and representative body of the UK's Business Supplies industry and supports a range of members in a dynamic and expanding sector valued at over £10 billion. BOSS is a long standing not-for-profit organisation with a leading and strategic role in the support, promotion and development of the office products and business supplies industry.
